Sun Orchard has more than 35 years of continued success in foodservice, which puts us on the front lines of flavor and ingredient trends in the finest and most innovative kitchens and bars in North America. We specialize in creating innovative beverage programs for our foodservice customers.

DISTRIBUTION PARTNERS

MARKET SUPPORT

The Market Support section features three brochures and a photograph. The first brochure, 'Citrus & Bar Mixes', highlights 'MADE WITH HANDCRAFTED PREMIUM JUICES' and lists benefits like 'No Artificial Sweeteners', 'No High Fructose Corn Syrup', and 'No MSG'. The second brochure, 'Industrial Products', lists 'NET PASTEURIZED SINGLE-STRENGTH JUICES' with a table of product specifications. The third brochure, 'To inspire a world that believes in genuine beverages and ingredients', features images of various fruit-based products. The photograph shows a man in a blue suit presenting to a group of four people in a modern office setting.

# Providing Important Commercial Advantages & Distinguishing Ourselves from the Competition

**National manufacturing and distribution; capable of producing the same products in multiple locations.**

**Supply chain capabilities to produce and ship refrigerated and frozen products.**

**Sophisticated nationwide crossdock network:**

Optimizes distribution closer to end-points

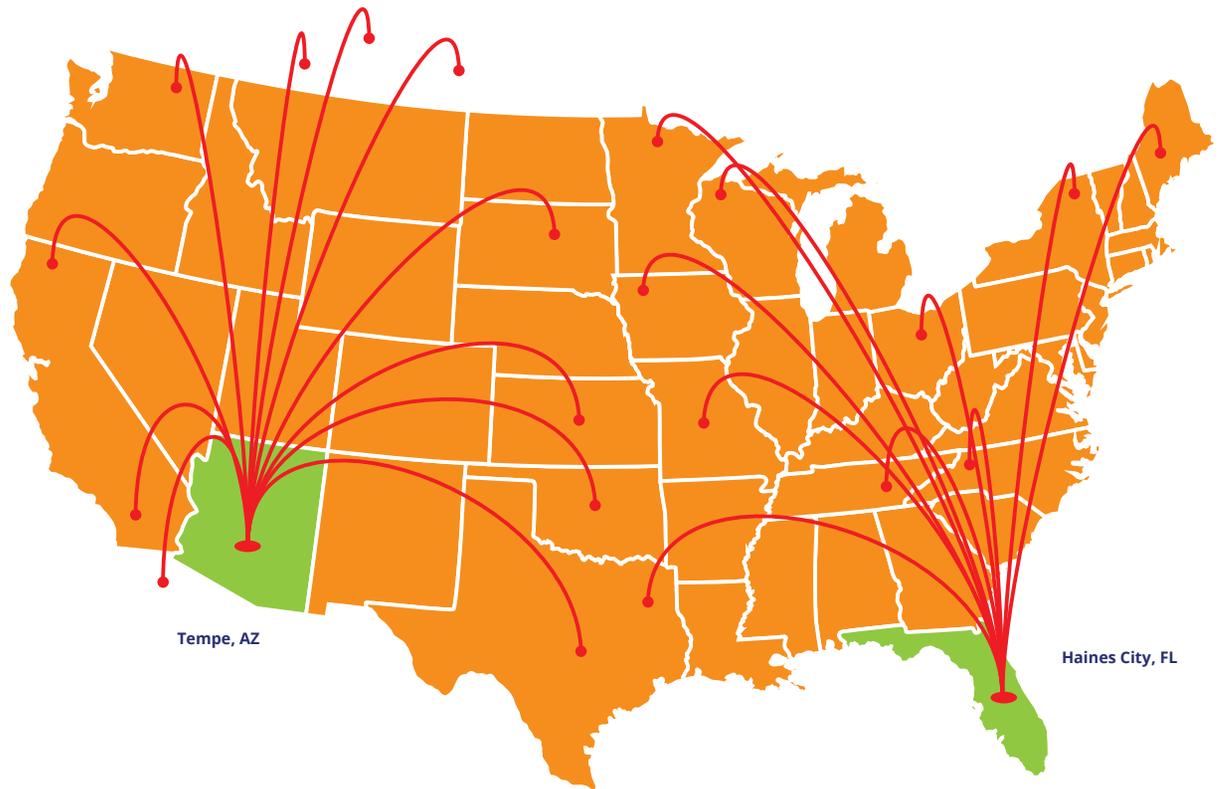

Reduces shipping time to point-of-sale

Maximizes product shelf-life

Ability to better service broadline distributors

**Efficiency for logistics**

**Continuity of supply & contingency planning**

## PRODUCT DEVELOPMENT & COMMERCIALIZATION

  <b>Natural / Non-GMO</b>	 <b>Clean-Label</b>	 <b>No Artificial Sweeteners or Ingredients</b>	 <b>Not from Concentrate</b>	 <b>Gently Pasteurized</b>	 <b>Fresh-Squeezed Flavor</b>
---	---	---	--	--	---

## FOOD SAFETY & SUSTAINABILITY

# Commitment to quality excellence and industry leadership.

### Our comprehensive quality assurance program adheres to recognized industry standards.

Our proprietary gentle pasteurization method retains fresh-squeezed flavor while providing food safety assurance and a longer shelf life

Fully-equipped analytical and microbiological laboratories with an experienced, professional QA staff

### Multiple Certifications

### Healthy Products

Tree-to-table products made from the freshest ingredients

Carefully crafted and minimally processed

All-natural, no-additives

### Healthy People

Commitment to our employees and communities

Robust supplier verification process and business requirements

### Healthy Planet

Zero-citrus waste program saves ~26K tons of by-products annually

All bottles are made out of recyclable plastic; BPA-free

Local and global sourcing from world's best growing regions

### Continuing our Tradition of Sustainability

Sun Orchard was founded on the principle of sustainability, making delicious, fresh-tasting citrus based ingredients and beverages from fruit that was not appealing enough to go on grocery store shelves. We have stayed true to that guiding principle to this day.
